The Volleyball season was very successful this year. The team took wins along with losses. The girls on the team had to try their best to get along, but victory was in store for the Lady Wildcats as they traveled to Lincoln to play at the state tournament.

The 1994-95 volleyball season was a year of new experiences for many; this was the first year that the team got the privilege of going to state since 1989. Congratulations Girls!

After all the hard work, triumphs and defeats, they were Seniors at last. They achieved their goals both in academics and athletics. There were many outstanding competitors in the class of '95'. Several represented Polk-Hordville at state competitions for the activities made available to them. This class was full of ambition and ability. Born natural? Maybe, but the majority came from all of their hard work and dedication. For this, we wish the best of luck to the Seniors in all their future endeavors.

Congratulations Class of '95'!

The Class of 1996 had a busy year trying to sell magazines for the Junior/Senior Prom. Mrs. Downs was the class sponsor. This year's Juniors were always ready and willing to get whatever they needed done and try new and adventurous things.

Thomas Blase is again the class President, Cameron Hudson was Vice President, Andrew Saeger was voted as Secretary, Tali Glasser as Treasurer, and the Student Counsil representative was Jenny Sundberg. The class as a whole has many great qualities and potential, soon to be even more fulfilled as seniors!

SOPHOMORES CLASS OF 1997

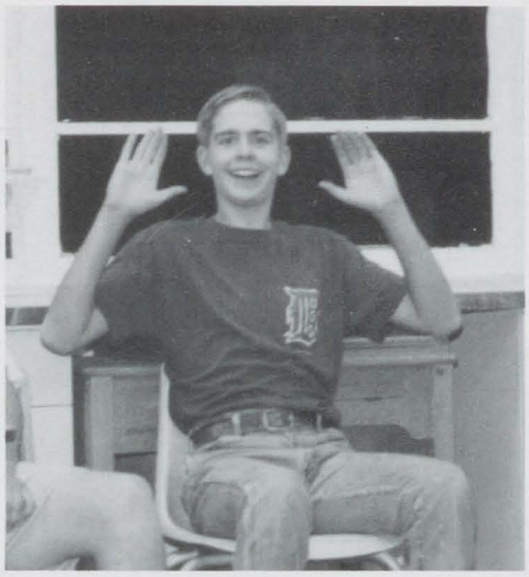
"What are you laughing at."



Shawn goofing around.

The sophomores have become quite a class this year. The class grew by getting new students in from Marquette. Then as the year went on, two more new students arrived, Summer Flodman and Fidelity Kernes.

They help in the extra curricular activities department, by participating in many activities that are offered.

The sophomores did their annual pizza sales at the Clarks football game. They did this to get money for the class.

The teachers in the school have greatly appreciated their efforts which they put forth in all their classes, that they have taken so far in their high school career. They are excited to be the class of 1997 at Polk-Hordville.

Staff & Administration

Experience, Dedication & Variety

Experience is a good word to describe the staff at Polk-Hordville. The average for the staff is 14 years of teaching experience. We have one that has been teaching for 28 years, Joan Bankson, and then we welcome first year teacher, Craig Brown.

Dedication is another word to use when talking about the staff. The teachers put in lots of hours to prepare lessons for their students. But, that's a life of a teacher and we wouldn't be in this profession if we didn't enjoy it.

Also variety would describe the staff, as there are many different types of personalities that knit together to make the school system run smoothly.

HOMECOMING
Cause & Effect

Hungry fellas - there ya go!

Tastes good - don't it?

Jacob working hard at keeping quiet

Annie leading the band to the pep rally

This year's homecoming activities included dress up days along with a week long competition between the classes. Tuesday was Western Day, Wednesday was Shoe Day, Thursday was Hush Day, and Friday was Red, White, & Blue/ T-shirt Signing Day. Class competitions included the Clothes Pin Drop, Inner Tube Relay, Lifesaver Pass, Donut Muncher Contest, Hush Contest, and School Colors Contest. The Seniors received first place, the Freshman second, the Juniors third, the Sophomores fourth, and the Teachers fifth in a very close race.

Another homecoming festivity was the parade and community pep rally. This year it was held in downtown Polk on Tuesday night. Floatwinners in the parade were Little Learner's Preschool-1st , Senior class-2nd , and Head-Quarter's Beauty Shop-3rd. The pep rally included entertainment by The David Numberman Show, the energizer Wildcat, Coach Nerd (Mr. Jacobsen and senior parents), the band and cheerleaders, and talks by the FB and VB coaches and seniors.

The highlight of Homecoming Week was the crowning of the royalty. Coronation took place at half-time of the the football game, in which the Wildcats defeated the NE Fillmore Raiders by a score of 30-18. The Wildcat volleyball team played two games on homecoming night. In the first game they defeated Fairmont and in the second game they fell to Exeter in a close, three-set game.

To end the homecoming activities, the dance was held in the elementary gym following the football game. Music was provided by Blazing Thunder-Kurt Blase, and the theme was Cause and Effect.

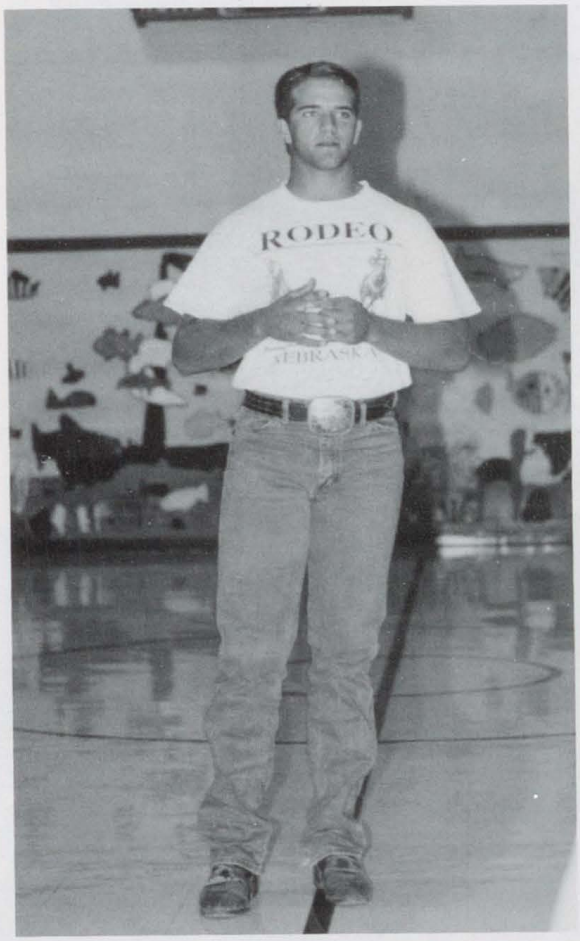
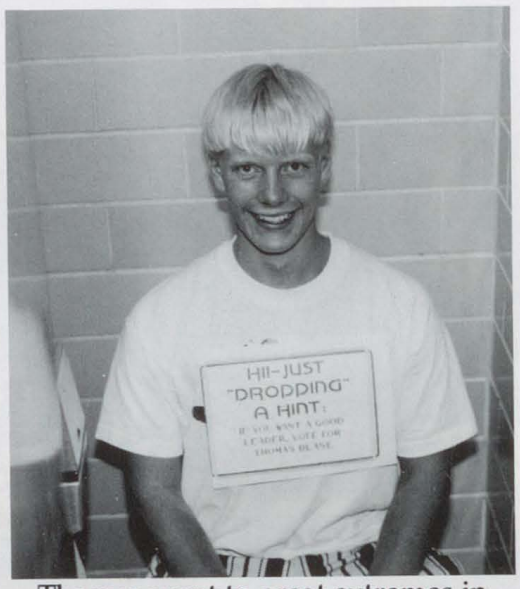
This year the student council members attended two district 5 conference meetings. The first was at Wahoo Newman on October fifth. The second was at Fremont Bergon on March twenty-second. The second meeting was held solely for underclassmen, therefore Nolan and Josh were't allowed to attend. At this meeting the main attraction was a hypnotist, Jim Wand. He successfully hypnotized many of the students (unfortunately none were from PHHS).

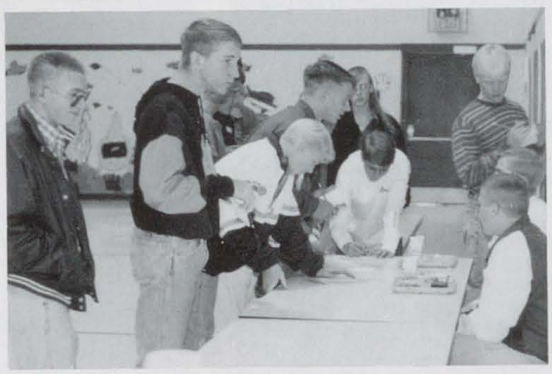
Other activities that the student council participated in were hosting a junior high basketball tounament and the annual Christmas party.



The four candidates for student council President; Jenny Sundberg, Thomas Blase, Josh Bridges, and Nolan Sundberg, had to give campaign speeches during lunch. Here Nolan Sundberg, the elected President gives his speech.



Thomas went to great extremes in campaigning. However in the end it didn't work; he was flushed!



Voting is done democratically at Polk-Hordville. Above are a few students casting their ballet for the new student council President.

Speech

This year the Polk-Hordville speech team competed in the CRC speech competition on February 24 at Hampton and at the District speech competition on March 18 at Shelby. No one qualified for state, but everyone had fun and learned a lot. Ed Mundt received 4th at CRC and the Oral Interpretation of Drama team received 2nd at CRC. Congratulations to everyone for a fine year!

ACADEMICS

In the academics section, we try to show what goes on in some of the classes and give you an idea of what the majority of our day is like at Polk-Hordville High School. As you will see, our days are not all work. We do goof off sometimes. And then at other times our play may be a learning process. All in all, we do get an excellent education here at Polk-Hordville.

The of Mike Warnick, Ben Garrett, Shawn Sandell, Clint Hoffman and Justin Cox (right) received 10th in the rigion & 19th in the state. The team of Thomas Blase and Cameron Hudson (not pictured) received 4th in the region & 6th in the state. During the first semester there were different teams that placed 27th, 31st, and 45th. So you see that experience does pay off. The final results from second semester are a GREAT improvement.

The team placed 8th out of 38 class A to D schools from across the state.

Clayton Chesebro deeply thinking about his work.

"It's amazing what Tali Glasser will do for Mrs. Lind's speeches." But then, after giving two to three speeches a year, the ideas must be creative to find that many different topics over the years.

MIDDLE SCHOOL SPORTS

The Middle School students have opportunities to try out the different sporting activities during their 7th and 8th grade years. The three pages given to them this year will only show a few of the many students who take part in the activities offered.

The Volleyball and Football seasons start in September for them to participate in. The practices are held after school only on three or four nights a week to meet their schedules.

There is about a month off and they begin practices for the Basketball season. These games are scheduled during the school day allowing them to get back to school, on most days, before the bus routes leave for the day. Practices are again held only on certain nights after shcool to meet their schedules. The season ends with the Polk-Hordville Tournament sponsored by the High School Student Council.

Track practices start in March and they have about five meets that they attend. This year the weather did not corporate with them and one of the track meets was cancelled. This is the reason why we didn't get any action photo's for this page. The track meets are all held during the school day starting at 9 a.m. and it's hard for the annual staff person to get out of school to take track pictures. The meet that was cancelled was to be held at 2 p.m. in order for a picture taker to attend. Sorry for the lack of track pictures.

Having all these activities available to them, gives them the chance to try out the sports and see if it is something they wish to continue perusing during their high school years.

COLOPHON

The 1995 Wildcat is the eighth yearbook produced by Polk-Hordville High School.

The book was printed by Walsworth Publishing Company in Marceline, Missouri. Gregg Adams, from Lincoln, Nebraska, was the sales representative.

A variety of layout styles were used throughout the book. The type set for the body of the book was Palatino. Body copy was 12-point, captions were 10-point and headlines were a variety of sizes and type sets.

The paper stock used for the book was 80-bound enamel. The endsheets were printed on Heavenly Blue stock paper with black ink.

The laminated Medallion cover was designed by Walsworth Publishing Company with 4-color processing. The name stamping was done in Purple.

Four-color processing was used in the first signature for the senior page. Spot color was also used in the first signature on the title page.

Pictures used were taken by the annual staff and other interested students. Processing was done through the Walgreen Drug Store in Grand Island, Nebraska. The underclassmen photos were taken by Life-Touch, the group sports pictures by T & L Photography in Aurora, Nebraska, and the senior portraits were taken by a variety of photography studios in the area.

For the third year we included an academic section in the annual. We wanted to include this section to remember the hard work the students do everyday in the classroom.

There were 110 books printed, each containing 82 pages. Prices for the yearbook were $18.00, without name on the cover, and $20.00 with name printed on cover. The late buyers had to pay $25.00.

Annual staff members were, juniors, Amanda Ansbach, Shawn Buller, Matt Collett, Brenda Hanquist-Editor, Jeff Lindburg, Courtney Stevens, Jenny Sundberg. Linda Gilson was the advisor.

We would like to thank the students, faculty, administrators, and parents for their cooperation for allowing photos to be taken of them throughout the year and for purchasing a yearbook and/or ads.
